## MAPS

The Research Centre has a wide range of Ordnance Survey maps for Northern Ireland stored in map drawers and comprises of virtually a complete set of the 6 Inch to 1 Mile series.

### Scale 6 inches: 1 Mile

These maps were published county by county and so are numbered in squares by the name of the county.

COUNTY	SHEET NUMBERS	SHEET NUMBERS NOT AVAILABLE	DATES

ARMAGH	1—32	6	MOSTLY 1952—57

**1 : 1,250**

**1 : 2,500**

**1 : 10,000**

**1 : 25,000**

Full details of the holdings and their location are held in a file in the Research Centre.

## INDEXES

The Research Centre also has indexes for Memorial cards, Family Trees, Ancestor charts and an on-going index of Gravestone Inscriptions, Rent Rolls, Hearth Money rolls, census etc. found in NIFHS Research Centre books. We also have an index to some Solicitor's material that we hold, mostly from the Portadown/Lurgan area. We also have on permanent loan correspondence which was sent to the Presbyterian Historical Society of Ireland.
