**NOVEMBER 2002
NUMBER 1**

LATEST UPDATE ON OUR MOVE.

Although we moved into the new premises at 45 Park Avenue, Sydenham, Belfast, at the beginning of October it is taking some time to sort out our belongings, arrange all the books on the shelves, catalogue and label everything. Because of this the library will **NOT** be open for research or browsing until after Christmas. There will be a chance to view the library on Thursday, December 12th 2002 from 6:00p.m. to 8:00p.m. After Christmas it is hoped the library will be open for a trial period on Saturday mornings.

During the "audit" of books it has been found that several books are "missing," this is in addition to a previous list of books that were noted to be missing. Please see the attached sheet.

Please note the changes in photocopying charges from November 2002.

A4 10p
A3 15p

Charges for bulk copying of a single sheet (i.e. 25 copies and over) for **Branch** use only.

A4 6p

When visits start to the library we hope that all visitors will give a donation of at least 20p per visit. This is to cover the cost of the move and continuing expenses. There will be a box for these donations in the library.

Any Branch, or a sub-committee or a group, which wants to make a visit should write the booking on the calendar sheets in the office and arrange for a key holder to "open up." This is so there is not a clash with another meeting. The present key holders are Randal Gill, Doreen Walker, Rosemary Sibbett, David Deane, Cyndy Cotton, Jim Gallagher, Ann Robinson and Georgie Siberry.
